About Me

My name is Juneau Padilla and I work with a variety of different mediums to create aesthetic narratives. I do work with character creation, branding, and tattoo design. I also keep up with the street art scene and it plays a large role in my artistic inspiration.

Education

Colorado State University (2020-2022)

Studied Electronic Art and Entomology.
Took courses on Premiere Pro, Photoshop, and illustrator.

Savannah College of Art and Design (2022-2024)

Studying Concept Illustration

Experience

Co-Founder of the Electronic Arts Club at Colorado State University (2021)

Social Media Manager for Mad Dad's Smoke Shop (2021-Now)

Photographed and edited products for social platforms

Co- Coordinator of Illustration Exhibition at Colorado State University (2022)

Skills and Interests

Skills

- Customer Service
- Collaboration
- Teambuilding
- Adobe Photoshop Certified (2023)**
- First Aid, AED, CPR Certified (2022)
- Color Theory
- Creative Problem Solving
- Composition and Organization
- Receiving Feedback

Interests

I am interested in artistic collaboration with a team, a sense of community and research oriented creative projects. I have dabbled in photography, spray paint murals, and personalized tattoo designs.

I enjoy projects centered around character creation, environment building, product design, and fashion.
